A welcome return to the oche and a winning singles point for Grey Horse skipper Tony Wright could not prevent a defeat at the hands of Whitley Lodge B who are in a spell of fine form. Gary Wilson continues his consistent ton plus scoring with help from all the rest but that man Chris Matthews has done it gain with a superb 164 outshot. Only a 167 or the big fish itself can top that so the challenge is there for the rest of us.

Marden Club showed the Phoenix Tap B no mercy as the visitors only took two points on the road. Good steady darts by all Marden players with Adrian Cartwright keeping his recent form going and Craig McVay getting all four of his points will help his confidence no end.

The Phoenix Tap A also continue to play well and a double figure result at home to The Blue Bell keeps them in third. James Thomas taking out a tidy 93 finish and they always are a better team with Keith Bisby in it as he seems to be a it of a talisman for them.

The Red Lion took three and a half points out of the Seahorse B in a good game. Maximums from Alan Davie and Adam Taylor Christenson, who was excellent for the home team all game. Again its worth noting that the visitors only gave doubles opportunities in the legs they lost so were on form and would probably have scored a further point if not for a dog related incident which put them off at a critical point but such things even themselves out over the course of a season.

Good to see that The Seahorse A have regrouped after the recent playing personnel crisis and steadied the ship to such effect that they took a well earned draw at home to Tynemouth Club. reports say it was a really tight affair all night and either side could easily have won or lost several points more so the draw will suit both teams.

The Victoria are right in the groove and increasing the lead at the top with a local derby home win over visitors The Fat Ox. Connor Jones in the kind of form which can make him unplayable and well supported by Gary Wallace and Ben Clark as well as the others. Not much The Fat Ox could do but the limited ton plus scoring they had is an indicator that they were simply outplayed on this occasion.

Whitley Lodge A were well beaten at home by The Border Terrier who after a blip seem to be picking the form back up. In the strangest of circumstances which saw 180's from Dave Raine, Brian Cole and Simon O'Callaghan but all three were beaten in the legs in which they threw the maximums.
