This week saw a fair bit of movement in the table as some big number results were bagged. Whitley Lodge B were on the receiving end of an excellent performance from the Grey Horse and the single point was gained in the last pairs where Dave Raine and Paul Rowett saved the brush. Dave Raine was on good form with six ton plus scores but the home side were more than equal to that as they hit 25 ton plusses themselves and are showing good form as they put the pressure on Marden Club in fifth.

The Fat Ox bounced back superbly from last weeks home defeat to take a double digit win on the road to Phoenix Tap B but fair play to the home side who are without doubt one of the best outfits in terms of giving all of their lads opportunities to play. Six zip down going into the singles Arun Davison took the first one to save a potential whitewash and Gunner Hosie was pleased to beat his best mate Bob Ramsden but the night belonged to The Fat Ox who climb into tenth.

The Red Lion took on The Phoenix Tap A in what is historically always a close match but hats off to the visitors who are tight knit and very difficult to beat when in form as they were this week. All six Tap A lads played consistently well and made it very hard for the home team to get a foothold in the game even as it sat all square going into the singles. The visitors took all but one of the remaining points and the youth shone through with Adam Taylor Christenson, James Thomas and Joe Haines all throwing well throughout the match.

We are in danger of running out of room in the website comments box when The Seahorse B go on the rampage as they did this week at home to the Border Terrier who should be applauded for the three points they did win. Alan Davie is leading the way with his brilliant scoring including two maximums and a 12 dart leg but he is ably supported with Dave Porritt bagging a 15 darter and Paul Hodge also hitting a maximum amongst 25 ton plus scores. It might have been more but Mark Stephenson was pipped in his singles by an excellent leg from Gavin Hosie.

A draw was the result as Marden Club took the short journey South to Tynemouth Club. Good to see Tynemouth getting back to something like full strength but Tommy Charlton is just too good a player not to be missed.

That said the Tynemouth lads conjured up an excellent response when five one down they then fought back to take five of the singles to draw the match. Nev Pratt being the only Marden singles winner and it's really not like Marden to loosen the grip when they had the chance to put the home team to the sword.

The Victoria deserve every credit for not slipping up against The Seahorse A and maintained their focus to go back to the top of the table with an eleven point haul. All of the Vic squad are very capable but going about his business quietly in the hub of the team is Simon Malpass who took a nice clean 16 dart leg out. Well done to Michael Matuszewski who stopped the brush with a good singles leg against Connor Jones and skipper Adam Weldon had a chance at a 13 darter but could not hit his double. Unlucky this time Adam.

Chris Matthews hit yet another 180 to keep up his impressive statistics on the top lipstick as The Lodge B won heavily at home to The Blue Bell and Gary Wilson also showing well with seven ton plus scores. The Bell will do well to remember that they showed some proper fighting spirit when sitting at eight zip they took 3 from the last four points in the singles with skipper Charlie Robson showing the way to take their first point with a lovely 108 checkout.
